1. We would like to direct your attention to EGFA-26530, 18 May 1959, which not only gives the background of the package mailing requirement but also details (see paragraph 3) as to how and when the expenses are to be charged.

2. FOB is still interested in the packages being sent since they are destined for ☐ ☐ internal agents who are still active. Should their status change and/or information be received indicating their capture or compromise, we will not fail to notify you that the periodic mailing is no longer required.
